Once you decide to promote the product, return to the **Affiliate -> Offers** page.

15. Locate the **Product Title** in the list.

16. Go to the far **RIGHT** end and Click on **BLUE "Request"**.

17. May want to add a note to the vendor based on the information provided by the vender on the Product Offer page.

3. Now, you **wait for approval** to promote this product to anyone you wish to share it with or if they show an interest in it.

Now that you've submitted your affiliate request, the next step is to wait for approval from the vendor. It typically takes anywhere from a few hours to a few days, sometimes longer for them to review applications and make a decision.

Keep in mind that not every request is guaranteed to be accepted, especially if you're a brand new affiliate without an existing track record of sales. However, having already purchased the product helps to demonstrate your genuine interest and improves your chances.

If your initial request is denied. Don't be discouraged. Reach back out to the vendor with a personal message explaining why you want to become an affiliate and share their product with others. Provide detailed information on how you plan to do this through word-of-mouth, personal testimonials, social media, and such. Many vendors are willing to reconsider affiliate applications with this additional context. The key is to be patient and persistent. If this is a product you truly want to endorse, with some effort, there's a good chance your request to be an affiliate will eventually be granted.

Pathway

4. Get Your Affiliate Link

Once you have been approved, a **GREEN** rectangle appears where the blue “Request” button previously was.

A. Thus, you must return to the WarriorPlus Dashboard and Find the Product as before under the **Affiliate** dropdown, then **Offers**.

B. Look to the **far RIGHT**.

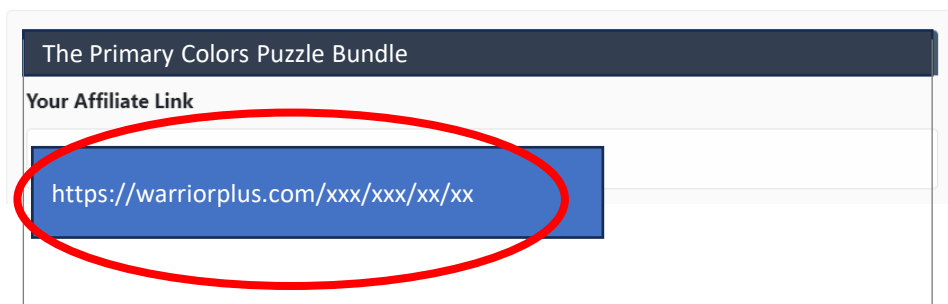

C. **Click the green rectangle** that says “Get Link” in it to obtain your affiliate link.

Get Link

D. A box will pop up containing your personal link.

When you click on “Get Link”, a box will pop up displaying your unique affiliate link. Be sure to **Copy and Save this link** for Easy access later.
